

Director's Message

Change is an inevitable natural phenomenon; but more important is the direction in which we grow. Since the time of inception we've incessantly grown; inculcated moral values and professional ethics, provided industry-focused curriculum, and developed a strong corporate interface. The constant endeavor to grow provides us the impetus to be distinct in our sphere. It was a matter of great pride and prestige when on the occasion of 6th Indy's Awards for Excellence; the institute was awarded 'Stars of Industry' Award for its outstanding contribution in the field of education.

The vibrant and diverse pool of our talented student community actively participated in seminars, discussions, training meets, sports and cultural activities, and social work. All these events provided opportunities to our students to understand, apply and develop their concepts, tools and techniques in the real life situations. To enhance the abilities and mark one's contribution in the field of research, our faculty members contributed to numerous conferences and journals.

The edifice of academic excellence began with the foundation of knowledge, dedication, confidence and commitment. And now, standing high, we gladly boast of our indelible impression created on this landscape, which aspires to deliver the unsurpassed education to the society.

Dr. Pawan K. Aggarwal

Indy's B-School LEADERSHIP AWARD

On the occasion of 6th Indy's Awards for Excellence, 94.3 MY FM presented 'Stars of Industry' Award to IMS Dehradun for its outstanding contribution in the field of Education and for the Business School Leadership. This feather in our cap provides us the motivation to continue on this path of glory.

Food for thought

Change is a Challenge and an Opportunity; not a Threat.

– Prince Phillip of England

CMAT EXAM 2012

CMAT Exam, an AICTE approved competitive entrance exam for the B-schools, was successfully conducted at our campus during 20-28 February 2012. Approximately 500 students appeared for the test from across the state.

ENTREPRENEURSHIP TRAINING PROGRAM

Entrepreneurship Development Training Program in progress.

A two day Entrepreneurship Development Training Program, in association with Indian Institute of Entrepreneurship, an organization of Ministry of MSME, Government of India, was organized for the management students. The purpose of this program was to educate the students about entrepreneurship and the various types of assistance extended by Government of India to small entrepreneurs. The event was a success as it introduced the future entrepreneurs with the ground realities.

R epublic Day

63rd Republic Day was celebrated at the campus with a patriotic fervor where Dr. Pawan K. Aggarwal, Director, IMS Dehradun, hoisted the flag and complimented everyone on the auspicious occasion of the day. Students performed various patriotic acts, sung songs and danced to the tunes of awe inspiring songs.

C elebrations

H oli

Holi, a religious spring festival which signifies victory of the truth on dark forces, was celebrated at the institute, amidst jovial songs, colours and excitement.

N avratra

The students organized a spiritual and soul enriching Mata Ki Chowki during the auspicious days of Navratras in the institute premises.

BLOOD DONATION CAMP

As a part of our social responsibility, a Blood Donation Camp was organized in collaboration with four organizations of the city; namely, IMA Blood Bank, Mahant Inderesh Hospital, Red Ribbon Club and Doon Hospital. A large number of students and staff members voluntarily came forward to donate blood.

WE CANNOT LIVE ONLY FOR OURSELVES. A THOUSAND FIBERS CONNECT US WITH OUR FELLOW MEN.

-Herman Melville

Padamshree Dr. Kiran Seth discussing the rich cultural heritage of India.

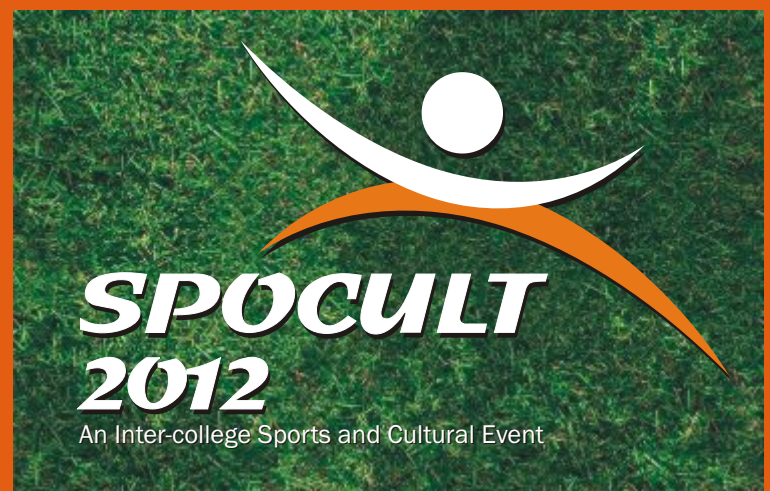

SPIC MACAY Events

In collaboration with SPIC MACAY, it is a regular practice to organize various events to encourage artists and our cultural heritage amongst the students. Such programs help keep alive the rich Indian tradition in the society. In one of the programs, the institute welcomed 16 artists from various regions who performed a folk dance program on Mahasu Devta. Mahasu is the regional name of Lord Maha Shiva in Jaunsar- Bawar region of district Dehradun.

At another occasion, Padamshree Dr. Kiran Seth, Founder, SPIC MACAY spoke to the students on the art, music and culture of our country and how important it is to preserve and promote the same, not just in the country but around the world.

WORLD THEATRE DAY

IMS Students Presented a street-play at the campus on March 25, 2012 to mark the World Theatre Day.

Our students participated in a large number, and gave exemplary performance in various sports, cultural and literary events in SPOCULT 2012 that was organized by RMNLU, Lucknow. Anshuman Joshi and Anirudh Niranjani of B.A. LL.B - VI Semester won the chess championship, and another group of our students won the cultural event 'Rail-Gaadi'.

PGDM students visiting Sara Sae Industry at Selaqui.

Industrial Tours, Visits and Picnics

During the quarter, a range of industrial visits and tours facilitated exposure of students to numerous practical aspects of industrial operations.

A batch of our BBA students went on a tour to Bengaluru, Mysore, Ooty and Coonoor. They were exposed to the bottling process at the Coca Cola plant in Bengaluru, and, tea and chocolate manufacturing process at another factory in Ooty. From Ooty to Coonoor everyone enjoyed the toy train journey and Tea plantations. En-route, the students enjoyed their visits to the famous Glass House at Lal Bagh, Mysore Palace and Vrindavan Gardens.

Another batch of our BBA students visited Cello Inc. and Hero Motor Corp. at Sidcul, Haridwar during their industrial visit. At the former, they comprehended the preparation of various Plastic household items, Pen, and other molded products. At the latter, they were exposed to the exhaustive manufacturing process of the bike Splendor.

Our MIB students went on a weeklong educational tour to Nalagarh, Kullu-Manali and Solan. The students visited the Coca Cola bottling plant at

Nalagarh, ACC Cement Plant at Bilaspur, Bhuttico Weavers Shawl Factory and L. S. Industry Ltd., a garment export house, at Kullu. Besides this they visited Mata Hadimba Devi Temple and enjoyed skiing and paragliding at the Solang Valley.

Our PGDM students visited Sara Sae Industry based in Selaqui. It manufactures the diverse range of oil equipments, using the latest design techniques and CNC machines which are of three types: the Gas Kit, Flanges & Hammer Union. They were exposed to the entire manufacturing process and the supply chain of raw material & finished goods.

Our MBA students went on an Industrial visit to Mahindra & Mahindra at Haridwar where they observed the complete manufacturing process of Bolero and other three wheelers, and they also got the opportunity to interact with the officials to enhance their awareness about the functioning of the unit.

With all these vigorous activities going on, some of the students discovered some very enjoyable and memorable moments on their trip to Mussoorie and Surkanda Devi Temple.

BBA students at the plant of Hero Motor Corp. Ltd.

MBA students at the Mahindra & Mahindra plant with their HOD.

Debates and Other Academic Activities

The institute organized several events to develop the soft skills, competitive spirit, and general awareness on diverse and contemporary issues of our students. These events for the School of Management included debates on:

- Democracy - the best way to govern the country
- India needs a benevolent dictator for the next five years
- Is the Economic Development of Developing Countries more important than protecting the Environment ?
- Hockey v/s Cricket
- The Impact of Social Networking on Youth
- Media Freedom

They also had a Live Project Survey on 'A comparative study of different outlets in Dehradun'. An environmental activity 'Go Green' by the students was conducted to create awareness about the environment and advantages of conservation through going green.

The School of IT conducted the following competitive events:

- Lord of Code on Programming using C
- Lord of Debugging on Programming using C

The School of Mass Communication had a competition on Wallpaper Publication amongst the students to allow them to exhibit their imagination and creativity.

Workshops and Seminars

Many workshops were conducted to provide impetus to the developmental process of our students which included frequent workshops and brainstorming sessions at the seminars.

Our management students participated in workshops and seminars on:

- Communication Skills Development by Dr. Sameer Bhatnagar, Career Launcher
- Personality Development Classes conducted by officials from Global Voice, Delhi
- Workshop on
 - Art of Writing Dissertation
 - Multimedia and Corel Draw
- Seminar on
 - Branding
 - Contemporary Issues in the field of Management, Post Liberalization
 - Cross Cultural Understanding in Global Market

Our IT students had workshops and seminars on:

- Upcoming Career Opportunities in IT by officials of NIIT, Dehradun
- How to increase Technical Skills by officials of HCL Info System, Dehradun
- JAVA
- Operating System

Whereas, Mass Communication students had their

- Workshops on
 - Reporting
 - Advertising
 - Production Techniques
- Seminar on Communication & Human Development.

Dr. Geeta Khanna at the AIDS Prevention Awareness Program.

Guest Lectures

Ms. Dev Duttu discussing various means to protect our Mother Earth.

To give our students an exposure to the industrial scenario, various industry stalwarts and academicians were invited to interact with our students. Some of our guest speakers and their topics of interaction were:

- Mr. Rajeev Kukreja, Alumnus, BITS, Pilani & FMS, Delhi delivered a lecture on Career Prospects in Banking Sector.
- Mr. G.C. Raturi, Ex Dy. G.M/Vigilance, ONGC, Mumbai, delivered a talk on Marketing Practices in India: Issues and Challenges.
- Ms. Dev Duttu, Member of Navdanya N.G.O, had an interaction with students on how to Protect Mother Earth.
- Dr. Geeta Khanna, CMI, Dehradun delivered a talk on AIDS Prevention Awareness Program that was sponsored by Red Ribbon Club, NSS.
