## 13.0 DECLARATION AND RECTIFICATION OF RESULT

- 13.1 The grades obtained will be tabulated by the tabulators and moderated by Moderation Board as below:
- a) A student, who fails in End Term (final) Examination/Special Examination, if any, (Theory component only) of one subject in any Semester, by not more than 3 (three) marks in Theory (End Term (final) Examination), will be awarded the requisite marks to enable him/her to pass the subject. Thus, the student has to secure at least 12 marks out of 50 for getting the benefit of moderation under this clause.
- b) A student, who passes in all subjects independently but fails to secure the required **CGPA of 4.50** by virtue of having obtained one grade lower in any one subject by not more than 3 (three) marks of the full marks of the subject concerned, will be awarded higher grade in that subject by adding requisite marks in the total. In case of possibility of moderation in more than one subject, the subject having least credit will be considered for moderation
- Normally, only one of the clauses, either 13.1 (a) or 13.1 (b) shall be applicable to a student in a particular Semester. However, as a special case, the Board of Examinations may allow the application of both the clauses of moderation simultaneously for a student, **once and only once during his study period** at the University on specific recommendations of the Moderation Board under the following circumstances:
- i) if the student of final year is in a position to complete the degree by application of both clauses, or
- ii) if the student can be saved from deletion of his/her name from the University rolls by application of both clauses.
- c) While calculating **CGPA**, a student who misses a higher class in his degree program by virtue of having obtained one grade lower in any one subject of the last semester examination of the program (i.e. in X Semester of 5-Year programs), by not more than 3

(three) marks in that subject, will be awarded the next higher grade. In case of possibility of moderation in more than one subject, the subject having least credit will be considered for moderation.

- d) The Sessional (Continuous Evaluation) of a subject having End Term (final) Examination, purely Sessional subject, and Practical subject shall not be moderated.
- e) In case the Moderation Board detects some obvious errors in the tabulation sheet, it may not be necessary to call the tabulator for rectification of the mistakes. The Chairman of the Moderation Board can rectify the mistake.

**REMARKS:** The Chairman, Moderation Board shall affix his/her signature on the tabulation sheet for each such modification.

13.2 The result tabulated and moderated as above, shall be put up to the Chairman, Board of Examinations / Academic Council for approval for declaration of results.

13.3 The Board of Examinations shall have the power to quash or rectify the result of a student (even after it has been declared) if:

- (a) it is found that he/she was not eligible to appear at the examination,
- (b) he/she used unfair means in the examination,
- (c) a mistake is found in his/her result.

13.4 If the result of the examination has been ascertained and/or declared and it is found that such result has been affected by any error, malpractice, improper conduct or other sufficient cause, the Board of Examinations shall have the power to amend the result and declare the modified/rectified result.

13.5 Sharing of answer books of End Term Examinations:
